We too are on our way.

Stop the ships!

(whooshing)

(Rusty Rose grunting)

Huh? Wah!

(Dr. Babble babbling)

Indeed.

And like all kitty cats, it's evil to the core.

Prepare to flank on my mark.

It's focused on Sonic.

(*hammer smashing*)

Which means it won't see me coming.

Boss battle.

(*Eggforcers activating*)

What, huh?

(*Eggforcer parts tinging*)

(*beeping*)

Can I get a restart?

What the?

(*missiles firing and exploding*)

(*Dr. Don't yelling*)

(*Grim Big's tail slamming*)

(*thumping*)

(*suspenseful music*)

(*Grim Big's tail slamming*)

That's it, your nine evil robo-lives just ran out.

Sonic wait, hang back. Stick to the plan!

Predictable.

( *Sonic* *exerting*)

 *Sonic grunting*: Ah!

(*Sonic grunting and coughing*)

After him.

(*laser zapping*)

(*Sonic panting*)

Right, stick to the plan.

(*logo swooshing*)

Where are you going?

(*Paradox beam buzzing*)

(*Nine exclaiming*)

Its power is draining.

Now's our chance!

(*grunting*)

Ha, that's more like it.

Finally making a dent in this thing.

(*Paradox beam buzzing*)

Whoa.

( *Sonic grunting*)

(*Grims thudding*)

Run!

Rebel Rouge: Look out!

(*Eggforcers swooshing and crashing*)

( *Sonic grunting*)

Ow, ah!

(*Shadow exclaiming and slamming*)

Shadow, you're alive!

Help a brother up?

We are not related.

(*sighing*) Never mind. You okay?

I survived.

Nine's Alphas deployed a massive army to keep me down here.

Alphas? You mean the ones that can duplicate themselves?

If I still had that Chaos Emerald, I could have teleported out of here, but it's lost the void.

And, smashing hoards of Sonics isn't the worst thing in the world.

(*rocks thudding*)

(*upbeat rock music*)

Up for smashing a few more mes?

( *Sonic and Shadow zooming*)

(*punches cracking*)

(*Alpha Grim Birdie whirring*)

We're gonna need to sneak past that thing if we wanna cut off Nine from the Prism, ideas?

I've got one, but I'll need four rocks, 80 feet of vine, and a time machine.

(*mellow music*)

(*chuckling*)

( *Sonic and Shadow grunting and smashing*)

Ah.

(*grunting*)

(*Shadow zooming and smashing*)

(*intense music*)

(*Shadow exclaiming*)

(*suspenseful music*)

(*Shadow grunting and zooming*)

Huh.

(*Sonic grunting and smashing*)

(*Shadow grunting*)

(*🔊 Sonic zooming and smashing*)

(*chuckling*) Hello teamwork!

Up top.

These troopers are one thing, but the Alphas can generate an endless army.

They are the real threat.

(*Sonic sighing*)

Rebel's plan is working.

The Scavengers are through to the Citadel.

They're gonna cut Nine off from the Prism.

Which is in Nine's lab, guarded by the Alphas.

They'll never reach it.

So how do we destroy them?

We don't.

We're going after Nine.

No, we're not.

(*distant explosion*)

You said it yourself.

If we don't go after the Alphas, we're cooked.

And the only way we win this thing is if we work together.

We need the others.

It's the end of the universe, and you're still thinking about your friends.

Of course I am.

They're all here, fighting, sacrificing themselves for me.

All the more reason to go after Nine while he's distracted.

And let my friends get pummeled when Nine only wants me?

(*sighing then gasping*) Nine only wants me.

I have an idea.

(*intense music*)

(*lasers blasting*)

(*Grim Birdies whooshing*)

Get those flying beasts off of us!

(*laser blasting*)

There are too many. Ship damage is critical.

(*ship thrusting*)

I hate to say it, but we're going down.

Abandon ship!

(*intense music*)

(*Birdies slamming*)

(*Rusty Rose grunting*)

(*Black Rose screaming*)

No!

(*punch thudding*)

(*Grim Birdie shrieking and blasting*)

Huh? Yah!

Birdie, fly!

(*Birdie shrieking and swooshing*)

It's been an honor to know you, friend.

The honor has been all mine, friend.

Thorn Rose: Got you!

(*Kracken exploding*)

Ha! By Poseidon's soggy beard!

(*chuckling*)

Thank you, Thorn. We owe you our lives.

You would do the same for me, sisters.

Sister.

I have never had a sister.

Now you got two.

(*Birdie shrieking*)

Mr. Dr. Eggman: *In case you've forgotten, we're under attack.*

Get up here!

Let's show them what these sisters can do.

(*chuckling*)

(*intense music*)

(*Birdie shrieking*)

(*Thorn Rose yelling*)

(*Black Rose and Rusty Rose grunting*)

(*hammer smashing*)

(*sword clanging*)

(*Black Rose grunting*)

(*Birdie shrieking*)

You're all clear, Mr. Doctor.

(*ship creaking*)

(*both nervous moaning*)

(*Grim Big's tail smashing*)

(*both nervously yelling and grunting*)

(*targeting system beeping*)

(*Grim Big powering up*)

(*gasping*)

We're getting destroyed out here.

Keep your mustache on, Doctor. The cannons are almost repaired.

(*cannon creaking and powering up*)

At last!

(*cannon powering up*)

(*targeting system beeping*)

(*Squad Commander Red grunting*)

The Mothership! Take out the Mothership!

(*targeting system beeping*)

So long, you colossal waste.

(*laser blasting*)

(*thrusters sputtering*)

No, no, no!

(*thrusters sputtering*)

(*triumphant music*)

(*Grim Big crashing*)

(*all cheering*)

(*both chuckling*)

Hoo-hoo-hoo!

You did it, you took out that behemoth!

 Sonic, you're okay!

Gang, this is Shadow.

Shadow, meet, well, everyone, I guess.

(*Nine exclaiming*)

(*tense music*)

(*ship exploding*)

(*tense music*)

(*Dr. Babble wailing*)

My butterscotch candies!

My video games!

My essential oils!

(*Mr. Dr. Eggman crashing and grunting*)

Mr. Doctor, are you alive?

Say something.

Mark my words, We're going to melt that fox.

(*Nine moaning*)

(*beam buzzing*)

(*Prism shield decaying*)

Every time he diverts power, the dome shrinks.

He needs my energy to stabilize it.

(*Nine panting*)

Huh?

(*Nine growling*)

(*grunting*)

Prim!

(*Scavenger yelling*)

(*Scavengers moaning and grunting*)

The plan, it failed.

(*slow tense music*)

We're running out of time. I need you, all of you, to listen to me.

Why should anyone listen to you?

Because I know how we can win.

(*Nine exerting and growling*)

(*Nine grunting*)

(*Prism buzzing*)

No, the dome...

You'll never catch me, Nine. I'm too fast.

Hit me with everything you've got!

No more waiting.

Finally. Prove your worth, machine.

(*Shadow and Grim zooming*)

(*punches thudding*)

It's hopeless, run!

(*punch thudding*)

(*both yelling*)

(*thudding and groaning*)

Back, back I say.

(*clanging*)
